Dear

Tariff Reviews

In respect to the Authorisation granted to AAT by the Australian Competition and Consumer Commission on 3rd December 2009 and in particular the pricing conditions of the Authorisation and my advice of 25th November 2013 that AAT has aligned its annual tariff reviews with financial years I advise that this review has been completed. The current tariffs applicable at all AAT terminals, Fisherman Islands, Port Kembla, Webb Dock West, Appleton Dock and Port Adelaide will remain unchanged until the next review which is expected to occur with effect from 1st July 2015.

A copy of the current tariffs and the ACCC's authorisation decision can be found on our website www.aaterminals.com.au

Should you have any questions in the meantime please do not hesitate to contact me.

Yours Faithfully,

Craig Faulkner
Chief Executive Officer
