Dear Vincent,

I refer to your letter provided on 1 February 2021 regarding your request for the ACCC to extend the limited waiver in respect of clause 6.4(a) of the Qube/AAT s87B undertaking (the undertaking) to 26 March 2022.

The ACCC has considered the information provided by you and other information it has before it, and based on that information, the ACCC has decided to grant an extension to the limited waiver of clause 6.4(a) of the undertaking to **26 March 2022**.

The extension of the limited waiver is granted to AAT and Qube on the condition that Antony Perkins continue to provide details on his role and activities undertaken at Moorebank and any breaches or potential breaches of clause 6 in each Compliance Report provided by AAT to the ACCC and the independent auditor in accordance with clause 8(a) of the undertaking.

I note AAT remains under obligations to ensure you comply with clause 6.1, which relates to access to and use of ring-fenced confidential information.

If new information comes to the ACCC's attention, or if the ACCC becomes aware that any information upon which it has based its view is incorrect or incomplete, the ACCC reserves the right to reconsider this decision.

Kind regards,
Alice
