Dear

Tariff Reviews

Further to the Authorisation granted to AAT by the Australian Competition and Consumer Commission on 3 December 2009 and in particular the pricing conditions of the Authorisation, I advise that AAT in response to customer requests has decided to align its annual tariff reviews with financial years. Therefore the current tariffs applicable at all AAT terminals, Fisherman Islands, Port Kembla, Webb Dock West and Port Adelaide will remain unchanged until the next review which will have effect from 1st July 2014.

I will write to you again in March 2014 outlining the outcome of the tariff reviews, which will be effective from 1st July 2014.

A copy of the current tariffs and the ACCC's authorisation decision can be found on our website www.aat.auz.biz

Should you have any questions in the meantime please do not hesitate to contact me.

Yours Faithfully,

Craig Faulkner
Chief Executive Officer
