

27 October 2016

It is with great pleasure that I announce Mr. Antony Perkins as the new CEO of AAT, effective 31 October 2016.

Antony brings to AAT a wealth of industry experience having worked in the shipping, stevedoring, transport, logistics and rail industries since 1983.

His most recent appointments have been Director of Business Development, Qube Ports & Bulk (2007 to 2016), State Manager NSW & Old, Pacific National (2002 to 2007), NSW General Stevedoring Manager, Patrick (1997 to 2002) and prior to that, senior management/director roles at TNT and Perkins Shipping.

The Board of AAT welcomes Antony and looks forward to working closely with him and the AAT management team.

I am sure you will join me in wishing Antony every success in this new role.

Sincerely,

Maurice James  
Chairman
