

## Requirements to enter terminal:

**Hours of R&D Operation: Monday to Friday 0600hrs to 1400hrs  
(13:30 cut-off)**

### For terminal access all customers **MUST**:

- Your company must be compliant in AAT's Contractor Management System (Rapid). Request a registration link by emailing [adt.operations@aaterminals.com.au](mailto:adt.operations@aaterminals.com.au) - include Company Name, Contact Name and Telephone Number.
- **Complete AAT's Site Induction –**  
Company administrators must issue induction keys to employees, and inductees must upload the relevant documentation/qualifications once they have been assigned the induction key.  
<https://www.rapidglobal.com/support/how-to-issue-an-induction-key/>
- **Have valid MSIC** displayed at AAT Appleton Dock Site –  
[www.1-stop.com.au](http://www.1-stop.com.au) (must be a 1-stop card and registered to AAT Appleton Dock).
- Have appropriate PPE (Hi-Vis vest and steel cap boots).
- Please note: Transport **without a MSIC**, please pre-arrange an MSIC escort from AAT by contacting 03 8698 6931 or [adt.dispatch@aaterminals.com.au](mailto:adt.dispatch@aaterminals.com.au)
- A fee of \$131.99+GST per hour (minimum charge 2hrs) is payable prior to gaining access to the terminal without MSIC.

Regards,

Andrey Alekseev  
Terminal Manager  
Appleton Dock, West Melbourne
